

For the reinforcement of our IT company in Böblingen (Stuttgart area), we are looking for a **Web Developer***

for a permanent position.

We, the Compart AG are a leading provider of Document & Content Technology Solutions. Our software solutions, services and innovative world-class technologies enable our customers to process, share and access documents and data contents of any type and format in any arbitrary system or channel.

Your responsibilities:

- Independent contribution in an agile team working on the development of new products or on the further development of already existing, sophisticated medium and large scaled products
- Dealing with native web technologies and established standards with plenty of room for creativity and your own solutions
- Active participation in the agile development process - in collaboration with our designers and product owners, as well as within a team during the implementation and the (unit) testing
- Mutual code reviews and pair programming, continuous integration and refactoring
- Providing information for our technical writers for the preparation of product documentation
- Participation in design and architecture (within the framework defined by our technical architecture)

Your profile:

- Successful study of informatics or comparable qualifications
- Solid experience - 3 years minimum - in designing and implementing user-friendly web interfaces based on open standards and modern web technologies (Typescript and HTML 5)
- Good knowledge of the applications REST and XML technologies (XSD, XSLT, XPath etc.)
- Experience in GIT, Code Review and Unit Testing Frameworks
- High willingness to learn, curiosity in technologies and the ability to analyse complex professional contexts
- Team spirit, positive attitude and solution orientation
- Good knowledge of the English language

Our benefits:

Living by values such as integrity, trust and respect

Opportunity of individual development (career)

Flat hierarchies and short decision making processes

Targeted training, In-house language courses

Flexible working hours

Free employee parking

Free fruit and drinks, meal discount and company canteen

Company wellness and sports programs

Company and team events
