

To strengthen our team in Böblingen (Stuttgart area), we are looking for a

## Web Developer (f/m)

for a permanent position.

We, the Compart, are a leading provider of Document & Content Technology Solutions with our software, services and innovative excellent technologies, which help our customers to process, distribute and access documents and content of any type and format in any system and channel.

### Your responsibilities:

- Participation in agile teams in the new and further development of demanding medium-sized and large products
- Dealing with native web technologies and established standards with plenty of room for creativity and your own solutions
- Active participation in the agile development process - in collaboration with our designers and product owners, as well as within the team during implementation and (unit) testing
- Mutual code reviews and pair programming, continuous integration and refactoring
- Providing information to our technical writers to prepare the product documentation
- Participation in design and architecture (within the framework prescribed by the system architecture)

### Your profile:

- Successful study of computer science or comparable qualification
- Solid experience - at least 3 years - in designing and implementing user-friendly web interfaces based on open standards and modern web technologies (Typescript and HTML 5)
- Good knowledge of the application of REST and XML technologies (XSD, XSLT, XPath etc.)
- Experience in GIT, Code Review and Unit Testing Frameworks
- High willingness to learn, technological curiosity and the ability to analyse complex professional contexts
- Teamwork, positive attitude and solution orientation
- Good English knowledge

### Our benefits:

Living by values such as integrity, trust and respect

Individual development of your own career

Flat hierarchies and short decision making process

Further education, In-house language courses

Flexible working hours

Free employee parking

Free fruit and drinks, meal allowance and own canteen

Company wellness and sports programs

Company and team events
